FEEDING DIRECTIONS

Nature's Trail Poultry Finisher is a complete feed specially formulated to meet the nutritional requirement of broilers. Broilers should be fed the finisher feed from 6 weeks of age to market. Provide plenty of fresh clean water at all times. Feed, water, light, temperature and air quality are all important factors in the growth, production and success of your birds. For a more specific feeding program, please contact your Keystone Mills Feed Consultant.

CAUTION: Do not feed supplemental selenium in excess of 0.3 ppm in the total nutritional diet.
