## FEEDING DIRECTIONS

Feed Key Stock Feed 14% at a rate that meets the nutritional requirements of the species being fed. Feed with good quality forages and/or roughages. Provide plenty of fresh clean water at all times. Free choice salt may be provided in a mineral feeder. For a more specific feeding program, contact your Keystone Mills Feeding Consultant. CAUTION: Do not feed supplemental selenium in excess of 0.3 ppm in the total nutritional diet.

CAUTION: Observe feeding directions on label.
